### Bryant Breezes

Miss Mary Fisher, of Springfield, is visiting her uncle, E. B. Leder.

Will Goss left Saturday night for Kansas, where he will work in the harvest fields.

Mr. Stanton, of Mountain Grove, has been spending his vacation at the home of M. L. Andrews.

Mr. Pope, who has been away having his face doctored, is here now for a few days' visit with home folks.

Merrie Andrews, Flora McCrite, Mary Fisher, Mr. Stanton and John McCrite spent a very pleasant afternoon at C. A. Williams' Sunday.

Miss Annie Strong, who has been at Springfield the past few weeks, has returned home and is helping in the store at Bryant. We are glad to have her with us again.

Most of the farmers in this neighborhood are through cutting wheat. The wheat is not as good as last year, but is better than most people thought it would be.

Will Goss and family and Miss Hattie and Fay Williams, spent Friday evening at P. H. McCrite's. Mr. Goss took his violin and Miss Fay played the organ, and those present enjoyed some good music.

The Christian Endeavor meeting at Mount Everett last Sunday evening, led by Miss Fay Williams, was one of the best yet held. A large crowd was present, quite a number being from Prairie Hollow. Hope they will come again.

FRANKEY.

### High Ridge

More rain, more weeds, more work.

On account of the rain Sunday morning there was a small attendance at the Station Sunday school. But several attended the Children's Day exercises in the afternoon.

(Too late for last week.)

### WHEAT LANDS FOR SALE In the Big Dodge City Country

You probably know that southwest Kansas produced wonderful crops last year. This (Ford) county produced better than six million bushels of wheat and an abundance of other crops last year. Conditions here as just as good or better than they were a year ago. This county has had 12 inches of rainfall since the first of the year. The real estate business is very active now, and if you are financially fixed to make an investment you should investigate this country at once. This is an ideal country for the farmer who thinks, acts and does business in a big way. Our firm has been established in the real estate business here for the past 12 years. Our entire time is given to combining the country for bargains and there is no deal too big or too small for our careful consideration.

Here are a few of our special propositions, submitted to you subject to sale. Write for our BIG LIST.

No. 1. 330 acres choice level land, 8 miles of Dodge City, near school, plenty of water at 45 feet, 80 acres of good wheat, and one-fourth goes, price \$7,000 on easy terms, or an extra inducement for cash.

No. 2. 160 acres choice unimproved level land northwest of Dodge City, price \$2,000, good terms.

No. 3. 1600-acre cattle ranch, 1 mile of Dodge City, fenced and cross-fenced, 8-room frame house, big cattle shed and 2 good wells, living water, price \$16 per acre on easy terms for 5 years at 6 per cent interest.

No. 4. 610 acres well improved, 320 acres in cultivation, land rented for one third delivered, school on land, price \$17,000. \$2,000 cash and balance at \$1,000 per year for 15 years at 6 per cent interest—this farm will pay for itself, if properly cultivated, living water, electric, dark loam soil, near Dodge City, 80 acres of sod plowed ready for fall wheat, price \$5,500 on good terms.

No. 5. 160 acres, the best of land, north of Dodge City, in Hodgeman county, near German church and school, well improved farms on all sides of it, price \$8,800, will carry one-half for 5 years at 5 per cent interest.

No. 7. 320 acres southwest of Dodge City, near new railroad and elevator, well improved, 200 acres in wheat, rented for one-third delivered, price \$40 per acre on good terms.

No. 8. 160 acres, 80 acres in cultivation, one-fourth mile from new elevator, southwest of Dodge City, school on land, price \$4,200 on easy terms.

No. 9. 800 acres in Haskell county, near Santa Fe, half section fenced, fair improvements, good well, price \$8 per acre—this is a snap.

No. 10. 610 acres, 2 miles of Hartland, in Kearny county, price \$4 per acre, will carry \$1,100 at 6 per cent 3 years—owner forced to sell.

No. 11. 160 acres, 9 miles southwest of Dodge City, 2 miles of new elevator, 100 acres in wheat—all goes with the place, land fenced, large granary, price \$4,300 \$1,000 cash, balance easy terms—act quick if you want this wheat.

No. 12. 290 acres northeast of Dodge City, living water, unimproved land, price \$12.50 per acre—this is a gift-edged investment and a money-maker.

No. 13. 800 acres, 10 miles of Dodge City, fenced, well and windmill, 160 acres in cultivation, price \$25 per acre, will carry \$6,000 and trade equity for income property.

We have land for sale in every county in southwest Kansas. Let us know your wishes. We are in a position to help you find what you want.

F. C. Brentlinger, Mansfield, Mo.
